### About Remitly

Remitly is a leading digital financial services provider for immigrants and their families in over 135 countries around the world. Its vision is to transform the lives of immigrants and their families by providing the most trusted financial services on the planet. Through its cross-border remittances, Remitly helps immigrants send money home in a safe, reliable, and transparent manner via its digitally-native app, which eliminates the long wait times, complexities and fees typical of traditional remittance processes. [Passbook](#) by Remitly, a money management app specifically designed for immigrants in the United States, eliminates fees and other common barriers to storing, spending, and sending money. [Remitly for Developers](#) allows companies to offer locally relevant payout options to customers with a simple API integration. Remitly is headquartered in Seattle and has offices around the world, including London, Kraków, Manila and Managua.
