

AUDIT AND RISK COMMITTEE

THIS CHARTER WAS APPROVED BY THE BOARD ON AUGUST 25, 2021

PURPOSE

The purpose of the Audit and Risk Committee (the “*Committee*”) of the Board of Directors (the “*Board*”) of Remitly Global, Inc. (the “*Company*”) is to assist the Board in fulfilling its oversight responsibilities relating to:

- the Company’s accounting and financial reporting processes and internal controls, including audits and the integrity of the Company’s financial statements;
- the qualifications, independence and performance of the Company’s independent auditors (the “*Independent Auditors*”);
- the design, implementation and performance of the Company’s internal reporting, financial controls and audit function;
- the Company’s overall risk framework and risk appetite framework; and
- compliance by the Company with legal and regulatory requirements.

This charter (the “*Charter*”) sets forth the authority and responsibility of the Committee in fulfilling its purpose. The function of the Committee primarily is one of oversight. Although the Committee has the responsibilities and powers set forth in this Charter, it is not the Committee’s duty to plan or conduct audits or to determine that the Company’s financial statements are complete, accurate and prepared in accordance with generally accepted accounting principles (“*GAAP*”). Instead, those are responsibilities of the Company’s management and the Independent Auditors. The Company’s internal counsel is responsible for ensuring compliance with laws and regulations and the Company’s corporate governance policies. Nothing contained in this Charter is intended to expand applicable standards of liability under statutory or regulatory requirements for the directors of the Company or members of the Committee.

In fulfilling its purpose, the Committee is responsible for maintaining free and open communication between itself and the independent auditor, the internal auditors and management of the Company, and for determining that all parties are aware of their responsibilities.

MEMBERSHIP

Size and Appointment

The Committee will consist of at least three members of the Board, with the exact number determined by the Board. The determination of independence will be made by the Board in accordance with applicable laws, the rules and regulations (the “*Commission Rules*”) of the U.S.

Securities and Exchange Commission (the “*Commission*”) or of the securities exchange on which the Company’s securities are listed (the “*Exchange Rules*”). All members of the Committee will be appointed by the Board and will serve at the Board’s discretion. Members of the Committee may be replaced or removed by the Board at any time, with or without cause. Resignation or removal of a director from the Board, for whatever reason, will automatically constitute resignation or removal, as applicable, from the Committee.

Qualifications

Members of the Committee must meet the following criteria as well as any additional criteria required by applicable law, the Commission Rules or of the Exchange Rules or such other qualifications as are established by the Board from time to time:

- Each member of the Committee must meet the independence requirements of the Commission and of the listing standards of the securities exchange on which the Company’s securities are listed.
- Each member of the Committee must be able to read and understand fundamental financial statements and otherwise must comply with all financial-literacy requirements of the securities exchange on which the Company’s securities are listed.
- No member of the Committee will have participated in the preparation of the financial statements of the Company or any current subsidiary of the Company at any time during the past three years.
- At least one Committee member will have past employment or management experience in finance or accounting or any other comparable experience or background resulting in similar financial sophistication, as determined by the Board and as required by the Exchange Rules. In addition, at least one Committee member must qualify as an “audit committee financial expert” as defined in the Commission Rules.

Notwithstanding the foregoing, the Company may avail itself of any phase-in rules or interpretations applicable to newly-listed companies in connection with an initial public offering.

While there is no limit on the number of public company audit committees on which a director may service, if a director serves on more than three public company audit committees, his or her service on the Committee will be subject to the Board’s determination that such simultaneous service on other audit committees does not impair his or her ability to effectively serve on the Committee.

Chairperson

The Board may appoint a member of the Committee to serve as the chairperson of the Committee (the “*Chair*”). If the Board does not appoint a Chair, the Committee members may designate a Chair by majority vote. The Chair will set the agenda for, preside over and conduct the proceedings of Committee meetings.

RESPONSIBILITIES AND DUTIES

The principal responsibilities and duties of the Committee are set forth below. These responsibilities and duties are a guide, with the understanding that the Committee will carry them out in a manner that is appropriate given the Company's needs and circumstances.
